

Oxgangs Primary PC - Traffic Group Report (Tracy Brown)

Update 2016-2017 Year

1. Oxgangs Primary School Parent Council have been trying to get yellow lines painted around the Lollipop Crossing near the junction of Firrhill Crescent and Oxgangs Road North since November 2014. The yellow lines were finally painted on 3rd Jul this year. These provide the lollipop lady with a clear line of sight on either side, allowing her and the children to step into the road safely.

The new restrictions have definitely made a difference but there is still the odd driver who flouts the rules and places your children in danger.

Future Plans

1. Ideally I would like the area patrolled occasionally by parking wardens or police. I have been in touch with the local police and I have also asked Firrhill community council to speak to the community officers at their next meeting.
2. Parents are also requested not to park in the school car park which is for use by staff of Oxgangs, Firrhill and Braidburn schools. It is probably time to ask the Janitor to man the gates for a few weeks to reiterate this message.

As always, Tesco's car park is available for parents to use at drop off/pick up times.
