Lauren McKay volunteered to take on the position of chair with the support of Calley Thomson co- chairing, this was voted in by Michael and seconded by Kat . Kat will remain as vice chair.

Discussion was then onto the secretary position, Fundraising are looking to recruit a secretary to step in as Kath can no longer cover this position.

Events

Discussion mainly on Mayfair as only a few months away.

This meeting was brief and most discussion centered on if Fundraising team can be maintained due to lack of support and members, if the team disbands this will mean no funding towards panto, science fair, coaches, leaving parties etc and parents will have to fund these things themselves if the school is to continue to run such things. Mayfair will continue as planned but following this an emergency meeting will be held to discuss if fundraising team can continue. Date to be mid June TBC

Funding Requests

Mrs Robertson, Nursery, requested £50 towards buying hammocks or anything that is required for nursery and their woodland adventures. This request was granted.

Mr Blaikie requested £1000 for new uniforms for pupils representing Oxfords in sporting activities as these are approximately 8 years old. As the amount is over £500 this will be passed through PC at their next meeting.
